

Why Greens Solicitors

Our Hand Picked, Skilled, Accredited Team.

Greens Solicitors have achieved and maintained the highest standards in Family Law, law relating to children and criminal matters, in particular, fraud and motoring offences, since 2008. Our team is handpicked to suit our growing, professional practice to ensure we continue to provide the highest level of service to our clients. We are here to advise you and to help you face the future with increased confidence.

Clear Specialist Advice.

Our aim is to achieve the outcome you desire whilst keeping you informed, minimising stress and controlling costs. We talk to you throughout your legal representation, mediation or required legal process to ensure you are clear of what services we are providing at all times. Whatever you discuss with us will always be in complete confidence, from beginning to end. Remember your case is important to us and we know how important it is to you.

An Affordable Service.

We are clear with any and all payments for legal advice, representation or services, we will explain how we charge for our services and any other fees which may be incurred. We will prepare a written cost estimate, quote a fixed fee in the majority of cases and give you a copy of our terms of business. If we discover you qualify for public funding, we will always inform you and discuss this option with you and then, if appropriate, apply on your behalf.

Family Law with Greens Solicitors

Whether you are married or living together, it is important that you know where you stand legally when your relationship is breaking up. Our experienced solicitors will provide professional and practical advice. Whilst involving a solicitor marks a positive move towards ending your relationship, in our experience, the sooner we can advise you, the more help we can be.

Decisions, which may affect your future and that of your children, should not be taken before you talk to your solicitor. We will explain the courses of action open to you and what you should do immediately, especially if you think your family assets are being misused or if you or your children are in danger. In addition to taking immediate court action to protect your rights.

Our aim is to achieve the outcome that you desire whilst keeping you informed, minimizing stress and controlling costs. Whatever course of action we recommend, we will make sure that you and your children are treated fairly and your future is made as secure as it can be. If court proceedings are necessary, we have the experience and people to advise and represent you vigorously and professionally.
